

Dear Merchant,

Los Carnales/La Familia (LC/LF) South Texas Chapter is a non-profit law enforcement motorcycle club, consisting of Federal, State and Local law enforcement officers. LC/LF; in the past, has donated money & toys to several worthwhile causes to include; Driscoll Children's Hospital, Sunny Glenn Children's Home in Cameron County, and a Graduating Senior wishing to pursue a career in the criminal justice field. We are grateful to have the opportunity to assist organizations in our community.

This year, LC/LF South Texas Chapter is sponsoring the Sixth Annual Fishing Tournament to benefit the CASA of Cameron & Willacy Counties (Court Appointed Special Advocates).

We are respectfully requesting your assistance to make this event a success. This special event is scheduled to take place March 25, 2017 at Port Isabel, Texas. All of the sponsors will be recognized on a display banner, which will be posted at White Sands Marina the day of the tournament. Custom made t-shirts containing the sponsors' names will be issued to fishing tournament anglers and the sponsors will also be recognized during an awards banquet, which will be held at the end of the tournament. All donations are welcomed and appreciated!!!

Sincerely,

Gilberto Sanchez Jr.
